

2022 – 2023 Tuition Discount Options for Juniors and Seniors

All returning students will be billed an annual enrollment fee of \$225.
New student enrollment is \$250.

Additional supply fees based on courses may be required. (see below)

Per classroom hour of on campus instruction, students will be billed \$395.

Juniors are required to take at least 5 hours on campus for a minimum rate of \$1,975.
Each additional hour will be billed at \$395 annually.

- Discount is based on the tuition rate for high school of \$2,550 for a 10-hour week.
- Tuition for each course is a commitment for the year and is due in full if a student withdraws from class for any reason.
- Discounts only apply if students are off campus during class times.
- Students must provide verification of dual enrollment classes being taken.
- Students do not receive discounts for leaving during lunch periods as we do not charge extra for these times.
- Juniors are required to attend 5 hours on campus to be enrolled at Arrows Academy.
- Seniors are required to take 1 hour on campus or pay the \$150 Enrollment fee to be enrolled at Arrows Academy for events only. Students who opt to pay the Enrollment fee will be allowed to participate in school day events, off campus field trips, dances, and graduation at the regular student rate for each individual activity.
